This warranty is made to the original purchaser of the Product only and is not transferable or assignable. This warranty applies only to Product installed in a residential or other non-commercial application. It does not cover any Product installed in commercial or industrial building applications. Upon determination by Seller that the Product or any part thereof is defective during the applicable warranty period (which may require purchaser to return the Product to Seller at purchaser’s expense), Seller will supply the purchaser with replacement parts, or at its option, a replacement Product (shipping and handling of any replacement Product or parts also at purchaser’s expense). Seller may use new or reconditioned parts, or a new or reconditioned Product of the same or similar design.
